

The First Memorial

At Mary Lanning, we recognize the impact of a memorial gift. William and Alice Lanning began a legacy that continues to this day through memorial gifting. They established Mary Lanning Memorial Hospital in 1915 following the loss of their only child, Mary, who died suddenly at age 21. She had travelled home during a long Christmas break from Smith College in 1910.

Mary Lanning Memory Tree Request Form

Establishing a memorial is one of many ways to honor a loved one, while at the same time helping others.

Remembering

Remembering is personal. Establishing a memorial is a powerful expression of honor to your loved one. It keeps his or her memory alive while touching patients and visitors at Mary Lanning Healthcare. Keeping the memory alive while encouraging hope for others is at the heart of a memorial gift.

Memory Tree

Establishing a memorial on the Mary Lanning Memory Tree is simple. For a charitable gift of \$250, which will benefit patient care at Mary Lanning Healthcare, your loved one's name and year of passing is engraved on a leaf. Please complete the form at right and return to the address indicated. You may also drop it off at our offices. In a short time, the engraved leaf plate will be added to the Mary Lanning Memory Tree located on the Sixth Floor. The donor will be notified of the placement through a letter from the Foundation.

Questions?

If you have any questions about memorial gifting, please contact us at 402-460-5600 or you may stop by our offices. We are located at 741 N. Denver Avenue.
