AN ESTATE AND CHARITABLE PLANNING GUIDE FOR MARY LANNING HEALTHCARE FOUNDATION

Dear Friends of Mary Lanning Healthcare Foundation,

Thank you! The results of your generosity over the past year are reflected in this annual report, strong evidence of the support the MLH Foundation has enjoyed from many community members.

Our Board of Directors is dedicated to the challenge of keeping Mary Lanning Healthcare vital and focused on the health needs of Central Nebraska. Our efforts made possible new equipment and technology for our hospital—valued at more than \$167,000 in 2017.

An investment the Foundation Board began three years ago is providing valuable assistance to a growing number of our friends. Mike Geis of Thompson & Associates meets privately with these folks to custom design estate plans that reflect their personal values and positively impact the people and programs they care most about. Best of all, there is no cost or obligation to those who participate.

Again, thank you for helping make Mary Lanning a leader in healthcare in this region through your support of our Foundation!

Sincerely,

Roger Doerr, President  
Board of Directors, Mary Lanning Healthcare Foundation

# Protecting Your Future

**Mike Geis** is the Thompson & Associates advisor working with Mary Lanning Healthcare Foundation, helping friends discover how they can protect a larger share of their assets for their family and charitable goals—and save money on taxes.

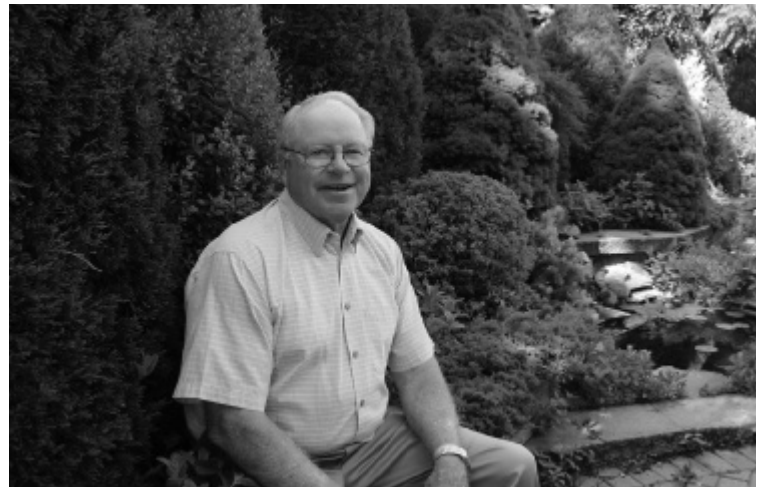

“I appreciate Mary Plock including us in the process. It was very comfortable and gave us the opportunity to talk through the options with Mike. He is amazing! He is such a valuable asset. He has more information than we ever imagined and made the process so doable.”

—**Marsha and John Nelson**

“Through Mary Lanning’s commitment to help families, we found Mike Geis who helped us reach our goals to establish our estate planning and giving. Mike was so genuine in his care for our needs! We can’t thank him and Mary Lanning enough for this great service.”

—**Craig and Deb Murman**

“One thing this process includes is writing a letter to each of your heirs. That’s such a good idea. We had some complex issues and Mike researched and came back with some good ideas. I really appreciate working with Mike and plan to touch base with him once a year.”

—**Lee Saathoff**

**The Foundation Board of Directors is pleased to offer this free service** to friends of Mary Lanning Healthcare Foundation in grateful appreciation of their support. If you would like to visit privately with Mike, please call Mary Plock at (402) 460-5603 to make an appointment for a free and confidential meeting.

# Healing Garden Adds Tranquility for Patients

The new Healing Garden was added in 2017, thanks to the Perkins-Spady Landscaping Fund and a gift from Paula and Gale Beirow. Vlcek Gardens of Chapman, Nebraska provided professional services for the \$100,000 project, working with Mike Allen, MLH Trust officer and member of the Hospital Board of Trustees and the Foundation's Board of Directors and Kipp Zalman, MLH groundsman. Together, they created a unique garden filled with trees, shrubs and waterfalls to provide a private healing view for each of the seven new chemotherapy/infusion rooms at the Morrison Cancer Center.

"Dick's vision was to create a healing environment and I think he would be proud of this project, which will be experienced by patients at the Cancer Center and all the employees there," says Mary Plock, chief development officer at the Foundation. "The Perkins-Spady Landscaping Fund is the ideal opportunity to fulfill Dick Spady's intention in creating this fund."

The Perkins-Spady Landscaping Fund was established in December 2010 under the direction of Richard J. Spady and in honor of his parents, Alberta (Perkins) and John Spady. The MLH Foundation Board of Directors is responsible for investing the funds as well as authorizing their use.

MLMH School of Nursing alumni celebrating their 50-year anniversaries often gather on the campus where their lives changed forever. In 2017, both the classes of 1967 and 1957 gathered for their 50-year and 60-year reunions, respectively. And what stories they shared about those years as young student nurses and all the years since. Please read some of their stories on the Foundation's website under the tab marked "Alumni."

Meet the Class of 1967 (*above*). Ten members from the class gathered on the Mary Lanning Healthcare campus, June 23–24, 2017. They toured the hospital, enjoyed lunch at the Home Away From Home and saw the new Jackson Dinsdale Art Center on the Hastings College campus. To commemorate the occasion, the class voted to adopt the Home Away From Home for the next four years, honoring the date of their graduation, August 4.

Thirteen from the 1957 graduating class of 26 returned to the Mary Lanning Healthcare campus to celebrate. The Mary Lanning Memorial Hospital School of Nursing educated 1,453 nurses from 1915 until 1988.

Board president Monte Rasmussen presented the 2018 Lanning Award to Pamela C. and W. Michael Kearney. The Foundation established the Lanning Award in 2010 to honor those whose support of and commitment to Mary Lanning's mission exemplifies the Lanning vision.

The celebration included 40 corporate sponsors who helped create a stellar celebration and contributed to \$39,728 in donations. Proceeds from the gala were directed to support the Endowment Fund at the Foundation.

# The Frahm Legacy Society

In 2016, the Mary Lanning Healthcare Foundation Board of Directors established the Frahm Legacy Society with a vision to recognize and strengthen financial support. Claus and Thomas Frahm curated the Lanning family's memorial.

Membership is open to donors who have named Mary Lanning Healthcare Foundation in their wills or other planned gifts, or those whose lifetime giving meets a threshold of \$10,000 per household, or \$25,000 for organizations.

The work we do together in the Frahm Legacy Society will have far-reaching consequences. Like Thomas and Claus Frahm, we are the lucky inheritors of the Lanning family's memorial to their daughter, Mary. Now is the time to act with confidence, and we are the ones to set the stage for all those who care about quality healthcare for our communities.

**Please visit [www.mlhf.org](http://www.mlhf.org) to read more about Claus and Thomas Frahm, two brothers whose generosity inspired the Frahm Legacy Society.**

## Frahm Legacy Society Holiday Party

Members of the Frahm Legacy Society were invited to toast the holiday season at the home of Julie and Eric Barber. With that same spirit and inspired by Mary Lanning Healthcare's 103 years of quality care, we invite new friends to join us.

New members are announced at the annual charity gala, The Stars Come Out. Please see the Foundation's website for a current listing.
